Community Member

Open the doors to a room full of prevention people who get it. Look around, meet your people, and see where the network takes you.

Includes:

- Access to the PLN community
- Resource hub with templates, handouts, and guides
- Find a Mentor or Coach space
- Discussion and networking spaces
- News, trends, and funding updates from across the field

Prevention is a calling. This is home for the people who answer it.

We equip, connect, and empower people working in prevention at every level, from frontline staff and coalition coordinators to state leaders and prevention entrepreneurs.

Prevention Leaders Network

PREVENTION LEADERS NETWORK

Open the doors to a room full of prevention people who get it !

You don't have to do prevention work alone.

Prevention Leaders Network is a private community where prevention professionals trade answers, tools, and opportunities with people who understand the work. Coordinators, supervisors, and prevention entrepreneurs, all in one place.
